Custom Trailers

Four Winns is one of the few recreational boat manufacturers in the world to build a custom-matched trailer. The difference lies in how easily the boat can be launched and loaded, plus it provides excellent stability while towing. Key features include a swing-away tongue, standard brakes on all axles, and a fully-welded construction.

Premium Materials

A collection of innovative designs and details accompany every Four Winns boat. Premium hand-sewn upholstery with rich textures, custom soft-step flooring, and stainless steel features ensure a superior level of comfort and elegance.

Stable-Vee®

The Stable-Vee® running surface—an innovation that turned the industry upside-down in 1993—is still the best thing running. So simple ... so effective ... Four Winns continues to have some of the smoothest running, and best handling boats in the world.
